SPRING | 2024

Smet Chocolaterie "Professional" is a reliable and quality-conscious chocolate manufacturer for *business partners and wholesale consumers*. We are excited to offer the opportunity for businesses to purchase high quality Belgian chocolate figurines. Our product range reaches from chocolate figures for Easter and Christmas to various occasions throughout the year, for example chocolate football players and pumps. Our figurines are sold worldwide.

PROFESSIONAL

Smet has been a pioneer in the chocolate industry for more than five decades. We manufacture semi-finished products, from chocolate shavings to filled or printed chocolates, and more. We also specialise in final products including chocolate hollow figurines in a range of shapes, sizes and colours. However, we are more than just chocolate decoration suppliers. We are problem solvers. We are passionate chocolatiers. We proudly work with experts in baking and desserts, dairy, cereal, wholesale and foodservice, and confectionary.
